(Read download) Warman's U.S. Stamps Field Guide: Values and Identification (Warman's Field Guides U.S. Stamps: Values Identification)

Warman's U.S. Stamps Field Guide: Values and Identification (Warman's Field Guides U.S. Stamps: Values Identification)

Maurice Wozniak : Warman's U.S. Stamps Field Guide: Values and Identification (Warman's Field Guides U.S. Stamps: Values Identification) before purchasing it in order to gage whether or not it would be worth my time, and all praised Warman's U.S. Stamps Field Guide: Values and Identification (Warman's Field Guides U.S. Stamps: Values Identification):

1 of 1 people found the following review helpful. Too old to be much use.By T. WrightI didn't pay enough attention when I ordered this book; didn't realize it was 9 years old. Not much use but it didn't cost a lot so no great loss. Certainly not worth sending back.1 of 1 people found the following review helpful. Not very good!By D. LeblancNot what I was looking for! Book only covers a small variety of stamps. Also, flipping back forth from pictures to descriptions causes confusion. Maybe a hard cover book might be better. I did find a very good hard cover book with most all US stamps easy to check values.2 of 2 people found the following review helpful. It doesn't give you everything you need.By John Di ScalaIt's good if you need to list the stamps you have and how much they are worth. Sometimes it is hard to find the stamp.It would be better if it also gave the Scotts catalog numbers.

The take-it-with-you collecting resource! At last, a guide you can really carry along to estate sales, garage sales, and flea markets, containing 1,000 color photographs and current pricing to make on-the-spot appraisals easy. New to this edition! Feature chapters on Christmas stamps and Error stamps 1,000 detailed color photos Listings for all 4,250+ U.S. regular-issue and Airmail stamps from 1847-2010 Accurate prices in Unused and Used condition State-of-the-market report and advice on beginning a collection, including where to find stamps, judging quality, grading, and handling and storage About the Author Maurice D. Wozniak has been collecting stamps since the mid-1950s. After a 30-year career as a reporter and editor on metropolitan daily newspapers, Wozniak served for seven years as editor of the weekly Stamp Collector and The Stamp Wholesaler publications and Minkus catalogs for stamp collectors. He is currently president of the Wisconsin Federation of Stamp Clubs, an umbrella group of 30 clubs in the philatelic hobby, and a member of the American Philatelic Society and the Central Wisconsin Stamp Club. He is a freelance magazine writer on stamp collecting subjects.
