**Pieter Doensen : Watch: Modern Wristwatch Design 1950-1983** before purchasing it in order to gage whether or not it would be worth my time, and all praised Watch: Modern Wristwatch Design 1950-1983:

7 of 7 people found the following review helpful. WATCH by P. DOENSENBy BRUYERON YvaThis is THE reference book for Electric, LED, LCD and most designers watches in the period 1950-1980. Packed with informations, relevant details, great pictures and history.HIGHLY recommended. The 1970 period is particularly well detailed, with accurate technical and historical info. Although it is out of print, it can still be found in some collectable watch shops or on as a used book. As a watch collector and dealer I refer to that book almost on a daily basis.Ren Bruyeron
