Weaving a Traditional Coverlet: A How-To-Book

Helen N. Jarvis : Weaving a Traditional Coverlet: A How-To-Book before purchasing it in order to gage whether or not it would be worth my time, and all praised Weaving a Traditional Coverlet: A How-To-Book:

5 of 5 people found the following review helpful. exactly what I was looking forBy S. K. SimpsonThis is the perfect book for those weavers wanting to weave their own coverlet. Goes thru every aspect of the design. A great addition for my library!1 of 1 people found the following review helpful. Very helpfulBy ClangloisVery clear explanation of structure. Easy to understand1 of 2 people found the following review helpful. Recovered Library BookBy C. KauffmanConsidering the book I received had been used in a public library, it was in very good shape and still had the inserted pattern/draw down which was pretty impressive. If you want to weave a coverlet, this is a step by step, hold your hand guide. My weaving guild's study group will be using this book as a reference.
