Wood Shafted Golf Club Value Guide

Pete Georgiady : Wood Shafted Golf Club Value Guide before purchasing it in order to gauge whether or not it would be worth my time, and all praised Wood Shafted Golf Club Value Guide:

5 of 5 people found the following review helpful. Wood Shafted Golf Club Value Guide By claret dreamer Again, Pete Georgiady has provided an extensive amount of research into a compact compendium of information. While the market truly sets the prices of any sale, Pete's book provides a comprehensive comparison of the values of hickory clubs for every maker through the late nineteenth and early twentieth centuries. He clearly defines condition as well as other factors that affect the value of any collection. This is an excellent reference guide to any serious collector. 2 of 2 people found the following review helpful. Great book By paulfrank This is a great book that helps to find the value on clubs and to understand how they are priced, but I believe it would be handy if it had an index. Think this book will be valuable to any collector.

Price guide to antique golf clubs for collectors.

About the Author Pete Georgiady has authored over a dozen books on the history of golf equipment.
