World's Classic Tractors

Ian M Johnston : World's Classic Tractors before purchasing it in order to gage whether or not it would be worth my time, and all praised World's Classic Tractors:

In Worlds Classic Tractors, internationally acclaimed tractor authority Ian M Johnston skillfully blends and portrays the many facets of the world of classic tractors. While this is essentially a descriptive historical record of tractors, the text digresses occasionally to introduce the reader to a range of fascinating tractor people and shares a few of the authors light hearted personal recollections and tractor experiences. Worlds Classic Tractors contains photographs throughout the book of rare and unusual tractors. Some of these and their accompanying text are of significant historical importance. This book will appeal to tractor enthusiasts, agriculturalists and historians around the world. (Ian M Johnston)
