World War I Posters (Schiffer Book for Collectors with Price Guide)

Gary A Borkan : World War I Posters (Schiffer Book for Collectors with Price Guide) before purchasing it in order to gage whether or not it would be worth my time, and all praised World War I Posters (Schiffer Book for Collectors with Price Guide):

0 of 0 people found the following review helpful. Five StarsBy J M PERRYAwesome pictures, information!2 of 2 people found the following review helpful. World War I PostersBy TamaraExtremely well written book on WWI posters. I actually contacted Gary via his website and he's just a great person to know. I happen to be a collector and seller of these posters; thus this book was that much more informative for me to share with clients. The pictures are awesome. Entire book very well done! Kudos to Gary!!1 of 1 people found the following review helpful. World War I PostersBy redwhitebluejudyLovely book. Great service by seller. I've collected WWI posters for over 30 years. Always looking for more info on these beautiful patriotic items.

World War I was the first war in which the pictorial full color poster played a major propaganda role. The era's greatest illustrators and fine artists contributed their energies to produce hundreds of great and classic posters. A surprising number of these posters have survived and many are still found in attics and barns today. This book illustrates over 450 World War I posters that were produced in the United States, Canada, and Europe. Many great classics are featured, but numerous less dramatic posters are also included which still have much historic importance. The text discusses the history of World War I posters and how they were designed and printed by color lithography. The book also devotes considerable attention to issues relevant to collectors: condition, conservation, display, and value. World War I posters are increasing in recognition and value as new collectors discover the beauty and power of these historic artifacts.

About the AuthorGary A. Borkan is a lifelong antiques collector and professional antiques dealer. He lives in the

Boston area.
