Wristwatch Annual 2010: The Catalog of Producers, Prices, Models, and Specifications

From Brand: Abbeville Press : Wristwatch Annual 2010: The Catalog of Producers, Prices, Models, and Specifications before purchasing it in order to gage whether or not it would be worth my time, and all praised Wristwatch Annual 2010: The Catalog of Producers, Prices, Models, and Specifications:

3 of 3 people found the following review helpful. Wristwatch Annual CatalogBy Eric F. Espeut Jr.As a lover of Horology, I have bought many magazines, books periodicals over the years. I believe "Wristwatch Annual" is one of the tomes' that has all the pertinent information one could desire with regard to any specific watch or Manufacture. I have been buying "Wristwatch Annual" for about 8 years now, and this edition does not disappoint.2 of 3 people found

the following review helpful. The bible of luxury wrist watches?By Shimone SamuelNot being a connoisseur of luxury wristwatches I still appreciate their beauty and history. This catalog goes into great detail and provides me all the reading material I could want. In particular I liked the inclusion of prices and discovered the availability of a few "affordable" (sub \$1K) lines which was a nice bonus. It's a thick volume with high-quality photographs presented in an informative structured, outline. If there's a competing catalog I'd love to see what more can be offered because this one seems to cover it all.1 of 1 people found the following review helpful. A Must for the watch enthusiast...By David BaumAmazing watches, awesome selection, great reading and wishing to talk and think about.

Each year brings hundreds of new wristwatch designs, with aesthetic and mechanical changes and improvements, limited edition watches, and new producers, keeping this field exciting for collectors. This twelfth edition of what has become a watch industry classic features over 1,400 of the world's most luxurious wristwatches and provides color photographs and complete specifications for each watch. With Wristwatch Annual 2010, collectors have a wealth of information close at hand: the book is arranged alphabetically by producer, and within each producer's section are specifications and materials for each watch, including price, movement, special features, complications, case, dial, band, and available variations of a particular model. A glossary and pronunciation guide help acclimate the reader to the world of fine timepieces, and, for prospective buyers, the addresses of all featured producers are listed together. The elegant photography and layout will encourage people to peruse the year's offerings for aesthetic appeal as well. The range of styles, from classic to modern, reflects the inclusive nature of this book, which watch collectors the world over will find both a handy reference and required reading. Featured manufacturers: Alpina; Angular Momentum; Anonimo; Arnold Son; Audemars Piguet; Aviator; Azimuth; Ball Watch; Baume Mercier; Bell Ross; Ernst Benz; Benzinger; Blancpain; Blu; Bozeman Watch; Rainer Brand; Martin Braun; Breguet; Breitling; Brior; BRM; Carl F.
