Mary Hirose : Your Mini Notebook! For The Bride Vol. 4: the perfect journal for the Bride-To-Be (Volume 4) before purchasing it in order to gage whether or not it would be worth my time, and all praised Your Mini Notebook! For The Bride Vol. 4: the perfect journal for the Bride-To-Be (Volume 4):

For more than 50 bridal, maid, and matron of honor journal/planners, please see my amazon author page, all new for 2017! Thank you, and enjoy! A beautiful journal in lavender for the bride to write down all the things she's thinking about and planning and doesn't want to forget, especially now. Ready to take to fittings and tastings and appointments for her to capture, journal, and list while preparing for the big day. How fun it will be to look back next year to what she was thinking and feeling at this time! The cover design features an antique bridal pillowcase from 1910, and the background calligraphy scrolls are from a young bride who worked so hard on her own wedding invitations many years later. And lavender for luck! Best wishes for a joy filled marriage!
