Your Mini Notebook! Vol. 42: "Sew...a needle pulling thread..." (Volume 42)

Mary Hirose : Your Mini Notebook! Vol. 42: "Sew...a needle pulling thread..." (Volume 42) before purchasing it in order to gage whether or not it would be worth my time, and all praised Your Mini Notebook! Vol. 42: "Sew...a needle pulling thread..." (Volume 42):

(For an updated version for this journal, please see 'Your Notebook! Sew Beautiful') "Laaaaa, a note to follow sew..."

Just to complete the alternate version of the 'Do Re Me' as a wonderful introduction. Perfect for keeping track of all your crafty projects: sewing measurements, gift ideas, inspirations, due by dates, etc. This journal will travel with you anywhere: in your sewing room (does anyone have a sewing room anymore? If you do, I'd love to hear about yours!)

Any sewing lover will get a chuckle out of this handy 5.5 x 8.5" notebook. Cover decoration features Aunt Shirley's vintage green sewing machine, Grandma Jean's pointy and sharp bird scissors (love those!!) and a brilliant red needle packet from 1910. All set against a lovely lavender grain background. Tell me your best sewing story, I'd love to hear

it!
