A cozy and inviting scene, these special friends are waiting for their dollhouse to be spring cleaned. Don't they look comfortable on their brushed blue wool easy chair and davenport? That's what this vintage furniture was called back in the day when it was brand new and delivered to it's 1935 dollhouse. These three friends aren't quite as old - they were all born around 1995. They've had lots of adventures. Step into their world and write their adventures, write your own, share, enjoy, laugh and play again. Create your place to call home within these pages. 120 pages 5.5 x 8.5"
