Your Notebook! Winter Journal (Volume 15)

Mary Hirose : Your Notebook! Winter Journal (Volume 15) before purchasing it in order to gage whether or not it would be worth my time, and all praised Your Notebook! Winter Journal (Volume 15):

Beautiful crisp blue stripes with snowflakes... What a lovely way to greet a new wintry day: by opening a new journal

and writing down what's on your mind. Where will your thoughts lead you next? Or, perhaps you enjoy thinking you're leading them. What needs telling today? What needs to be kept secret, within these pages? Don't forget wishes, hopes, dreams, the future. All important because it's your words here. Best enjoyed alongside a cup of delicious tea, cider, coffee, or eggnog.
