Yves St. Laurent Fashion Review (Dover Paper Dolls)

Tom Tierney : Yves St. Laurent Fashion Review (Dover Paper Dolls) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Yves St. Laurent Fashion Review (Dover Paper Dolls):

1 of 1 people found the following review helpful. Cute Book, Great for Fashion Inspiration! By ShaksMacCute book! Love that it has the vintage fashion! Used it as a fashion-themed party prop/decoration so I didn't get to look through it like I wanted to. After the party it was a gift for my mom (it was her birthday and she is a designer)! She really enjoyed the books but didn't really have time to do the paper dolls. These books will be saved for future fashion inspiration! Also, note that these are not small books, they are about magazine size which is actually cool! I thought they were smaller from the picture. Oh, and arrived on time! 0 of 0 people found the following review helpful. Paper Dolls By API have enjoyed and collected paper dolls since I was a child. This book was a nice addition to this collection. Mr. Tierney did a lot of research in preparation for this book. His attention to detail is impressive. 0 of 0

people found the following review helpful. Five StarsBy Marcia D. KellotatTom Tierney has been one of my favorites for many years. I'll miss him and his work.

One of the great couturiers of the 20th century, Yves St. Laurent created a fashion empire that changed the way women looked from the 1950s to the 1990s. St. Laurent's diverse interests fueled his fertile mind as he translated art into fashion, startling the fashion world with such innovations as pantsuits, see-through apparel, safari clothes, leather looks, the Pop Art collection, and many more. Noted paper doll artist Tom Tierney captures the highlights of the distinguished designer's career in this well-researched and scrupulously rendered paper doll collection. Three dolls, including a figure of the designer and two models, are accompanied by 28 different costumes among them a Mondrian-inspired dress, a satin-trimmed tuxedo (the first of St. Laurent's "le smoking" evening ensembles), a day dress in the "trapeze" style, an Algerian-inspired outfit from the Rive Gauche collection, an astonishing wedding dress, humorously described as a "cocoon" of knitted wool, an evening dress incorporating a body sculpture of galvanized copper, and other formidable creatures. An informative introduction and detailed descriptive notes accompany this lavish display of clothing in a brilliant tribute that will delight students of costume design, fashion historians, and paper doll fans of all ages.

About the AuthorOne of the leading authorities on fashion history, Tom Tierney created over 150 paper doll books for Dover Publications. With subjects ranging from U.S. Presidents to popular movie stars, Mr. Tierney's books are famous for being carefully researched and meticulously rendered. His releases are prized by fashion professionals, collectors, and paper doll lovers all over the world.
